**Language:** German (minor proficiency as well as continuing to learn)

---

## EXPERIENCE

### WellSky, Overland Park, KS

Jun 2020 – July 2022

#### Technical Consultant

- Supported an offshore team to build business intelligence dashboards in Qlik Sense. Our team provided data points to configure and test the code.
- Early in development WellSky decided to pivot from Qlik Sense to Sisense to develop their blood transfusion analytics solution. Our team developed and provided QA and other validation for the new product.
- Worked in SQL Server Management Studio to create custom reports for the CareTend Product that served users administering specialty medications and infusion therapy in the home health units.

### Moonshot Innovations, Overland Park, KS

May 2019 – Aug 2019

#### Business Intelligence Intern

- Ran SQL Queries and built Data models (ERDs).
- Manipulated Data using DAX & M in order to show visually appealing dashboards using Power BI.
- Worked closely with the client to create a dashboard in order to give a more personalized quality product.

### EyeVerify (Zoloz), Kansas City, MO

Jan 2016 – May 2016

#### Quality Assurance Intern

- Tested the EyeVerify product for the quality assurance group.
  - Reviewed and edited code.
  - Provided feedback to software engineers.
  - Ant Financial acquired EyeVerify for \$100 Million.
- 

## SIDE PROJECTS

### Power BI Dashboard, Moonshot Innovations

May 2019 – Aug 2019

- Developed a data visual analytics Dashboard for Moonshot's parent company, Compass Kapital's. The focus was for their investment portfolio.

### Power BI Dashboard, ConocoPhillips

Jan 2020– May 2020

- Developed a data visual analytics Dashboard for their drill site inventory management. On my team I embedded this data visualization into the inventory management system.

### Power BI Dashboard, Contracted by NavMD

Oct 2021 – Jan 2022

- Compiled data and developed a data visual analytics Dashboard for NavMD for their Market research with their existing and future clients based off self funded health plans.
-
